

3 DAYS 2 NIGHTS WILDLIFE EXPERIENCE

DAY 1 ► SANDAKAN → SELINGAN ISLAND (L/D)

08:00-08:45 hours Meet and greet from Sandakan airport or Sandakan hotel lobby (town area only). Transfer to jetty for one (1) hour boat journey to Selingan Island. (Boat depart sharp at 09:30am)

Selingan Island is located within the Turtle Islands, which lies in the Sulu Sea some 40 kilometres north of Sandakan of Sabah, east Malaysia. It consists of three (3) islands – Selingan, Bakungan Kecil and Gulisan, including the surrounding coral reefs and ocean. The Park is noted for its green turtles and hawksbill turtles which lay their eggs on the beaches of the islands. The Park covers an area of 17.4km².

09:30 Upon arrival on the island, check-in at the chalet and lunch at Selingan cafeteria.

The afternoon is spent free at your own leisure. You can swim or snorkel around the island or simply relax on its white sandy beach.

*After 6pm, the beach is off-limit to visiting guests and the Park Rangers begin their rounds looking out for turtle landing on the beach.

After dinner, at the signal from Park rangers, observe the process of a turtle laying eggs, the transfer of eggs to the hatchery and release of turtle hatchlings to the sea.

Return to chalets for overnight.

DAY 2 ► SELINGAN ISLAND → SEPILOK ORANG UTAN REHABILITATION SANCTUARY → BORNEAN SUN BEAR CONSERVATION CENTRE → KINABATANGAN (B/L/D)

07:00 After breakfast, depart from Selingan island back to Sandakan and transfer to

Sepilok Orang Utan Rehabilitation Centre – established in 1964 to return orphaned “apes back to the wild”. The centre was being administered by the wildlife section of the Forestry Department which in 1988 was upgraded as a department under the Ministry of Tourism and Environmental Development. All administration and management was given to the new Wildlife Department of Sabah.

10:00 Proceed to Platform B; observe man’s closest relative ‘the Orang Utan’s being rehabilitated to become wild in their natural habitat and experience a walk in the tropical Lowland Dipterocarp Forest of Borneo and later watch a 25 minutes scheduled video documentary show.

Bornean Sun Bear Conservation Centre – is to promote sun bear conservation in Borneo through animal welfare, conservation, rehabilitation, education and research – giving captured sun bears a better home and restoring their right to live in the wild, by:-

- *creating the capacity to confiscate, rehabilitate and release suitable orphaned and ex-captive bears back into the wild & providing an improved long-term living environment for captive bears that cannot be released.*
- *Educate the public and raising awareness about this species.*
- *Achieving increased protection for sun bears and their habitat through ongoing research, increased knowledge and awareness, and further protection of habitat.*
